GWINNETT HOSPITAL PERFORMANCE DAY
TEACHERS WORKSHEET

Write in the time you have selected. Each time line represents 5 minutes. Then write the student's name who you wish to play at that time. No student may exceed 15 minutes. There may be more than one person on a line if the music selections are longer/shorter. The music is to be continuous. Time your students and place them in the order you desire. Remind students to arrive 20 minutes prior to their playing time. This form is the one that will be submitted with your check by November 16, 2016. Each student is $8
